Safeguarding

Safeguarding our students is at the forefront of everything we do. Parents and carers can access information via the following link www.escb.co.uk which offers guidance and signposts to resources on various safeguarding issues. Please contact our safeguarding officers if you have any concerns about your own child or another student at the Academies.

Absence Procedures

To report a student absence please email:

attendance@basildonacademies.org.uk

- Parents/carers should contact the school by 8.30am each day their child is absent.
- If no reason has been received for a child's absence, the Academy will initiate first day calling.
- Parents/carers must provide medical evidence to support all absences due to illness or medical appointments.
- Wherever possible parents/carers should make appointments outside of school hours but if this is unavoidable students should attend school before and after the appointment.
- If no appropriate medical evidence is provided then the Academies cannot authorise an absence. (ie. medical appointment card, prescription, doctor's letter.)

School nurse drop-in

If students are worried about their health, would like a confidential chat or would just like to find out more about how our school nurse can help them, the nurse can be found:

Free Online Counselling Service

www.kooth.com is a free, confidential, safe and anonymous way for young people, aged 11-26, to ask for help from a team of highly qualified and experienced counsellors and support workers.

Kooth is a well-established, award winning online counselling agency and is accredited by The British Association of Psychotherapy and Counselling (BACP).

There was a strong sense of inclusion and students said that they are supported to be themselves and to celebrate diversity. Students spoke about their celebration for Pride Month, "Some staff made rainbow cupcakes and all the money went to charities that support LGBT issues," and one student saying, "If we strive for equality, in future generations there will be world where no one is discriminated against."
